

# Meet your Director

Hi! My name is Lauryn Capsey, and I am thrilled to serve as the School Director for all our KIM family, students, and staff again this year!

A little background information about me is that I am a passionate educational leader who has a bachelor's degree in Elementary Education from Baylor University and a Master's degree in Organizational Leadership from the University of Oklahoma. I have a combined eight years of teaching and administrative experience teaching in public schools, in private schools, and in leading students as a children's pastor. My experience working with students ranges from birth through 12th grade in a variety of roles in both the United States and around the world.

When I am not at school, I love adventuring with my husband, Chris, son, Cooper, and golden retriever, River. We enjoy hiking and backpacking, hunting and fishing, and spending time with family. I look forward to challenging your student with innovative and research-based teaching that will develop your child with a more holistic education focusing on leadership, academics, team building, and physical exercise.

I look forward to a wonderful school year!
