bstubblefield@kidsinmotionacademy.com

Hi! My name is Bridgett Stubblefield, and I am so incredibly excited to serve as the School Director for Kids In Motion Academy this year! I graduated from Northeastern State University with a Bachelor of Science in Elementary Education and have been a teacher for 14 years, with experience in elementary and middle school classrooms, in both public schools and private schools.

I began working at KIM in 2021, and I have been blessed with the unique opportunity to serve our school in various roles. I began my time with KIM as a PE teacher and Group Leader for our after-care Kids Fit program, and as a Group Leader for Summer Camp. The following school year, I became the third and fourth grade teacher and Summer Camp Director. Last year, I taught our first-grade class and led Summer Camp as Camp Director. I am excited to utilize the experience I have gained and relationships I have built to continue molding and growing our students from a holistic approach.
