About Me

Howdy! I'm the Curriculum Specialist and STEAM teacher here at KIM, and am so excited to explore the sciences with your child this year! I'm a native Texan turned Oklahoma transplant, and a graduate of Baylor University (bachelor's) and the University of Texas at Arlington (master's). This is the 2nd year I've taught STEAM, and my 10th year teaching altogether. I'm married to my best friend and 4th year med-student here at OSU named Josh, and we have 3 super cool boys, Will-7, Wyatt-4, and Wesley-1. I can't wait to learn along with you in STEAM class!

Meet the Teacher!
