My name is Amanda Field and this is my 13th year at KIM! I worked 5 years previously at another program and I've worked with kids in some capacity since I was 16! I am so excited about this school year and to be your child's teacher!

My husband Andrew is a firefighter in BA and we just celebrated our 25th anniversary! I have 2 daughters. Audra is 20 and is in her 3rd year of college at NSU perusing her degree in education.

Addyson is 15 and is a sophomore at BA!

My favorite thing about KIM is I get to share my deepest passion, which is Jesus! I love getting to share His love and stories from the Bible.

A little about me...I'm obsessed with my family, Dr Pepper, the Pioneer Woman and sunflowers. All of them make me happy!
